## Instructions for Applying to the 2018 FEEA Scholarship Program

**DEADLINE: Wednesday, March 21, 2017 at 11:59pm EDT**

Since 1986, FEEA has offered scholarships to more than 10,000 individuals, including providing nearly 200 scholarships to the children of federal civilian employees who died or were severely injured in the line of duty during the terrorist attacks on the Alfred P. Murrah Federal Building in Oklahoma City, the Pentagon on 9-11, and the US Embassies and Consulates in Kenya, Tanzania, and Libya.

Collectively, our scholarship program to date totals over \$14 million. FEEA champions the pursuit of higher education and each year supports hundreds of students with merit-based scholarships.

**Scholarship Awards:** Scholarships range between \$1,000 and \$5,000 for one year of academic study at an accredited college or university. The scholarship is not renewable, however, applicants may apply every year they are eligible, whether or not they have received an award in the past. The majority of scholarships are awarded for undergraduate study, with occasional awards for graduate study. Scholarship winners should refer to IRS publication 970 for more information on any potential tax implications of scholarships: <https://www.irs.gov/pub/irs-pdf/p970.pdf>.

### **Individuals Eligible for Scholarships:**

- a. Children or legal dependents under the age of 25 of full- or part-time permanent federal civilian or postal employees. Blacks in Government (BIG) federal employee members may also sponsor a grandchild.
- b. Spouses of full- or part-time permanent civilian federal or postal employees.
- c. Full- or part-time permanent civilian federal or postal employees.
- d. Children or grandchildren of members of the National Active and Retired Federal Employees Association (NARFE). Applicants with a NARFE sponsor must be high school seniors only; undergraduate students are not eligible.

Federal employees, either applying directly or serving as a sponsor, must be employed with the federal government for more than three years as of the scholarship application deadline.

Applicants will not be discriminated against on the basis of race, color, national origin, age, gender, religion, disability, sexual orientation, or gender identity.

Applicants must have a 3.0 or higher cumulative, unweighted grade point average. Applicants with a grade point average below 3.0 are not eligible to apply.

Children, grandchildren, dependents, or spouses applying for support must be enrolled or planning to enroll full-time in their academic program. Federal employee applicants may study part-time.

**Scholarship Funding:** FEEA supports its scholarship program through donations from individuals and a number of partners, including unions, associations, and corporations. For last year's scholarship competition, FEEA partnered with the following groups:

- American Federation of Government Employees (AFGE)
- Blue Cross Blue Shield
- Blacks in Government (BIG)
- Cooke Memorial Scholarship Fund
- Federal Managers Association (FMA)
- Global Defense, Inc.
- Hoosier Hills Chapter of Federally Employed Women (FEW HH)

- National Active and Retired Federal Employees Association (NARFE)
- National Federation of Federal Employees (NFFE)
- National Hispanic Coalition of Federal Aviation Employees (NHCFAE)
- National Treasury Employees Union (NTEU)
- Professional Managers Association (PMA)

All scholarships are subject to the availability of funding.

**Selection Criteria:** Scholarship selection committee members consider the following factors in ranking and recommending applicants to FEEA:

- The applicant's record of academic and personal achievement;
- The applicant's record of community service and engagement;
- The recommendation of the academic or professional contact; and
- The substance and quality of writing throughout the application.

**Award Notifications:** Applicants will be notified via email of their application status during summer 2018. Scholarship checks are made out to the winner's college or university.

## 2018 FEEA Common Scholarship Application

**Deadline:** March 21 2018 at 11:59 PM EDT (Midnight)

### DESCRIPTION

This application is used for all merit-based scholarships offered by FEEA directly or in partnership with other organizations.

### REQUIREMENTS

Before starting this application please review the scholarship program instruction booklet at [www.feea.org/scholarships](http://www.feea.org/scholarships). Applicants will need to upload their transcript and sponsor's (except for NARFE sponsors) Notice of Personnel Action/ SF-50 (for active U.S. Federal Employees) in order to complete the application.

Applicants will also need to provide contact information (name and email) for someone who can provide an academic, community, or professional reference for them. Applicants are encouraged to complete this section of the application early (at least three weeks before the deadline) so that recommenders have sufficient time to complete the application and submit it before the application deadline. Late references will not be accepted and applications without references will be disqualified. The reference request form is in the second section of the application and you must click "Next" to move to the last page or the reference form will not be sent. Applicants can complete that section and go back and finish other sections before submitting.

Applicants are also encouraged to complete their essay off line and then cut and paste it into the online application.

Please note if you use the "preview" button below to view the application you will see all of the potential questions the system may ask you. Depending on your sponsor's affiliation you may not be asked all of those questions when you apply.

- FEEA reserves the right to verify all information submitted and may disqualify applicants if discrepancies are identified. FEEA will also disqualify applicants for plagiarism.
- Only one application may be submitted per applicant. Applicants who submit more than one application may be disqualified.
- The application is divided into three sections. We encourage applicants to be sure to complete “Section 2/The Reference Request Form” at least three weeks before the application deadline. Applicants can move forward or back in the application before hitting “Submit” at the bottom of Section 3.

### Section 1

This is the main part of the application. Most of the sections are self-explanatory, but below are a few points to keep in mind:

- You can move from question to question by hitting the tab button.
- Everything with a red asterisk is required and must be completed in order to submit the application.
- All applicants must have a current federal employee or NARFE sponsor. Current federal employees can also sponsor themselves.
- If you or your sponsor are a member of one of the membership associations or unions listed in the application, please check that group on the application and provide the local number, chapter number, region number, and/or membership number, if requested on the form, in order to be considered for support from these organizations. Please note: FEEA will verify all memberships to ensure they are in good standing and applicants should only complete this section if they or their sponsor are a current member in good standing. Please include only valid membership/region numbers. If membership numbers cannot be verified with the corresponding organization, the applicant will not be included in that membership/association/union competition.
- Sponsor’s Agency: This is a pull down menu. Please search for the correct agency or use other if your specific agency is not listed. See attachment A of these instructions for a complete list of agencies in the pull down menu. If you do not see the sponsor’s specific sub-agency on the list, please use the agency’s parent department, ex. Department of Labor.
- Federal employee applicants must upload a PDF copy of their own most recent Notice of Personnel Action (SF-50); all other applicants upload a copy of their federal employee sponsor’s SF-50. The SF-50 must be dated January 2016 or later. If no SF-50 is available,

the applicant must submit the sponsor's most recent pay stub AND a letter from the sponsor's current federal agency supervisor, stating the employee's position title, duty station, GS level (if applicable), and service computation date. The letter must be on agency letterhead and must be signed. These items must be combined into a single PDF file for upload to the application. Applicants who are sponsored by a NARFE member are not required to provide an SF-50.

- Applicants must upload a PDF copy of their most recent academic transcript with fall 2017 grades included. Unofficial copies are acceptable. Applicants who are currently in high school: If your transcript does not include your fall grades, please scan a copy of your fall report card with your transcript, into one PDF document, and upload both documents with your application in the transcript section. Applicants not currently enrolled should submit a transcript from the last school attended.
- Please make sure all uploaded documents are legible and easy to read. Unreadable documents will be disqualified.
- Applicants must include a maximum 500-word essay answering the following question: *What do you consider to be the single most important societal problem in the world today and why? What steps do you believe could begin to address it?* We recommend drafting this essay outside of the application system and cutting and pasting the final version into your application.
- Applicants must provide a bulleted list of their most important community service activities, going back no more than 5 years, to include date(s) and description, in descending order of significance. Do not assume the reviewer knows what an acronym represents – spell it out.
- Applicants must provide a bulleted list of their most important other extra-curricular activities, going back no more than 5 years, to include date(s) and description, in descending order of significance.
- Applicants should include a description of any significant awards received in the last 5 years, in bulleted format, to include date(s) and description, in descending order of significance.

## Section 2

- Applicants must request a reference from a teacher, professor, guidance counselor, community member (ex. coach, volunteer supervisor, club mentor, etc.), or professional (supervisor or colleague) via our online application system. All references must be submitted no later than the application deadline, Wednesday, March 21, 2018, by the recommender, directly into the FEEA online application system. Recommenders may not submit references through any other means. Applicants are encouraged to skip ahead in

the application, enter their reference's contact information, and then click through to the next and final page (FEEA information), so the reference form is emailed to the recommender. If you do not click "Next", your reference request will not be sent (see below image, button in blue). Applicants can then move back and forth in the system to complete the remaining sections of their application before they hit the final "Submit" button on the last page of the application.
