Instructions for Applying to the 2019 FEEA Scholarship Program

DEADLINE: Monday, March 25, 2019 at 3:00pm EDT

Since 1986, FEEA has offered scholarships to more than 10,000 individuals, including providing nearly 200 scholarships to the children of federal civilian employees who died or were severely injured in the line of duty during the terrorist attacks on the Alfred P. Murrah Federal Building in Oklahoma City, the Pentagon on 9-11, and the US Embassies and Consulates in Kenya, Tanzania, and Libya.

Collectively, our scholarship program to date totals over \$14 million. FEEA champions the pursuit of higher education and each year supports hundreds of students with merit-based scholarships.

Scholarship Awards: Scholarships range between \$1,000 and \$5,000 for one year of academic study at an accredited college or university. The scholarship is not renewable, however, applicants may apply every year they are eligible, whether or not they have received an award in the past. The majority of scholarships are awarded for undergraduate study, with occasional awards for graduate study. Scholarship winners should refer to IRS publication 970 for more information on any potential tax implications of scholarships: <https://www.irs.gov/pub/irs-pdf/p970.pdf>.

Individuals Eligible for Scholarships:

- a. Children or legal dependents under the age of 25 of full- or part-time permanent federal civilian or postal employees. Blacks in Government (BIG) federal employee members may also sponsor a grandchild.
- b. Spouses of full- or part-time permanent civilian federal or postal employees.
- c. Full- or part-time permanent civilian federal or postal employees.
- d. Children or grandchildren of members of the National Active and Retired Federal Employees Association (NARFE).

The FEEA Scholarship competition is for those attending or planning to attend an accredited institution for higher learning for an undergraduate or graduate degree or certificate.

Federal employees, either applying directly or serving as a sponsor, must be employed with the federal government for more than three years as of the scholarship application deadline.

Applicants will not be discriminated against on the basis of race, color, national origin, age, gender, religion, disability, sexual orientation, or gender identity.

Applicants must have a 3.0 or higher cumulative, unweighted grade point average.

Children, grandchildren, dependents, or spouses applying for support must be enrolled or planning to enroll full-time in their academic program. Federal employee applicants may study part-time.

Scholarship Funding: FEEA supports its scholarship program through donations from individuals and a number of partners, including unions, associations, and corporations. For last year's scholarship competition, FEEA partnered with the following groups:

- American Federation of Government Employees (AFGE)
- Blue Cross Blue Shield
- Blacks in Government (BIG)
- Cooke Memorial Scholarship Fund
- Government Employees Health Association, Inc. (GEHA)
- Long Term Care Partners
- National Association of Black Narcotics Agents (NABNA)
- National Active and Retired Federal Employees Association (NARFE)
- National Federation of Federal Employees (NFFE)
- National Hispanic Coalition of Federal Aviation Employees (NHCFAE)
- National Treasury Employees Union (NTEU)
- Professional Managers Association (PMA)

All scholarships are subject to the availability of funding.

Selection Criteria: Scholarship selection committee members consider the following factors in ranking and recommending applicants to FEEA:

- The applicant's record of academic and personal achievement;
- The applicant's record of community service and engagement;
- The recommendation of the academic or professional contact; and
- The substance and quality of writing throughout the application.

Award Notifications: Applicants will be notified via email of their application status in August 2019. Scholarship checks are made out to the winner's college or university and mailed to the home address.

Application Instructions

- The deadline for the 2019 scholarship application is Monday, March 25, 2019, at 3:00pm EDT. Applications will not be accepted beyond the deadline. There are no

extensions due to weather, computer failure, power outage, or any other reason. Applicants are encouraged to request their references and submit their applications well before the deadline in case of any last minute technical challenges.

All applications must be completed online at <https://goo.gl/sBf9k9>. Faxed, emailed, or mailed applications will not be accepted. Applications must be completed by the student (parents, please do not initiate the application for your child).

- Applicants can review the application by clicking the “Preview” button (see arrow in image below) on the main application page. Please note, some questions will only appear for certain applicants based on their current year of study or sponsor status.

2019 FEEA Common Scholarship Application
Deadline: March 25 2019 at 03:00 PM EDT

► DESCRIPTION
This application is used for all merit-based scholarships offered by FEEA directly or in partnership with other organizations.
Applicants must complete the application themselves. Sponsors may not complete the application on behalf of applicants they are sponsoring.

► REQUIREMENTS
Before starting this application please review the scholarship program instruction booklet at www.feea.org/scholarships. Applicants will need to upload their transcript and sponsor's (except for NARFE sponsors) Notice of Personnel Action/ SF-50 (for active U.S. Federal Employees) in order to complete the application. *NARFE members may only sponsor current High School seniors.
Applicants will also need to provide contact information (name and email) for someone who can provide an academic, community, or professional reference for them. Applicants are encouraged to complete this section of the application early (at least three weeks before the deadline) so that the reference has sufficient time to complete the application and submit it before the application deadline. Late references will not be accepted and applications without references will be disqualified. The reference request form is in the second section of the application and you must click "Next" to move to the last page or the reference form will not be sent. Applicants can complete that section and go back and finish other sections before submitting.
Applicants are also encouraged to complete their essay off line and then cut and paste it into the online application.
Please note if you use the "preview" button below to view the application you will see all of the potential questions the system may ask you. Depending on your sponsor's affiliation you may not be asked all of those questions when you apply.

► PREVIEW
[Preview](#) ←

Apply

- Applicants can begin an application and return to continue working on it at a later date by hitting “save” before logging out. To return to the application, visit www.smarterselect.com and click “Login” at the upper right hand corner of your screen. Use the email you registered and password you selected to complete your login. If you forget your password you can reset it with the “forgot password” link. The SmarterSelect site functions best when using Chrome as your browser.

- FEEA reserves the right to verify all information submitted and may disqualify applicants if discrepancies are identified. FEEA will also disqualify applicants for plagiarism.
- Only one application may be submitted per applicant. Applicants who submit more than one application may be disqualified. Please do not use a second email address to try to submit an additional application.
- The application is divided into three sections. We encourage applicants to be sure to complete "Section 2/The Reference Request Form" at least three weeks before the application deadline. Applicants can move forward or back in the application before hitting "Submit" at the bottom of Section 3.

Section 1

This is the main part of the application. Most of the sections are self-explanatory, but below are a few points to keep in mind:

- You can move from question to question by hitting the tab button.
- Everything with a red asterisk is required and must be completed in order to submit the application.
- All applicants must have a current federal employee or NARFE sponsor. Current federal employees can also sponsor themselves.
- If you or your sponsor are a member of one of the membership associations or unions listed in the application, please check that group on the application and provide the local number, chapter number, region number, and/or membership number, if requested on the form, in order to be considered for support from these organizations. Please note: FEEA will verify all memberships to ensure they are in good standing and applicants should only complete this section if they or their sponsor are a current member in good standing.
- Sponsor's Agency: This is a pull down menu. Please search for the correct agency or use other if your specific agency is not listed. See attachment A of these instructions for a complete list of agencies in the pull down menu. If you do not see the sponsor's specific sub-agency on the list, please use the agency's parent department, ex. Department of Labor.
- Federal employee applicants must upload a PDF copy of their own most recent Notice of Personnel Action (SF-50); all other applicants upload a copy of their federal employee sponsor's SF-50. The SF-50 must be dated January 2017 or later. If an SF-50 is not available, the applicant must submit the sponsor's most recent pay stub AND a letter from the sponsor's current federal agency supervisor, stating the employee's position title, duty station, GS level (if applicable), and service computation date. The

letter must be on agency letterhead and must be signed. These items must be combined into a single PDF file for upload to the application. Personal identifying information, such as the Social Security Number and birth date of the sponsor, may be redacted before uploading. Applicants who are sponsored by a retired NARFE member are not required to provide an SF-50; if the NARFE member is an active federal employee, an SF-50 must be provided.

- Applicants must upload a PDF copy of their most recent academic transcript with fall 2018 grades included. Unofficial copies are acceptable. Applicants who are currently in high school: If your transcript does not include your fall grades, please scan a copy of your fall report card with your transcript, into one PDF document, and upload both documents with your application in the transcript section. Applicants not currently enrolled should submit a transcript from the last school attended.
- Applicants must include a maximum 500-word essay answering the following question: *Think of an historical figure who was well-known for his or her public or community service. What notable thing(s) did this person do in serving their community and how specifically do they inspire you to serve others?* We recommend drafting this essay outside of the application system and cutting and pasting the final version into your application.
- Applicants must provide a bulleted list of their most important community service activities, going back no more than 5 years, to include date(s) and description, in descending order of significance.
- Applicants must provide a bulleted list of their most important other extra-curricular activities, going back no more than 5 years, to include date(s) and description, in descending order of significance.
- Applicants should include a description of any significant awards received in the last 5 years, in bulleted format, to include date(s) and description, in descending order of significance.

Section 2

- Applicants must request a reference from a teacher, professor, guidance counselor, community member (ex. coach, volunteer supervisor, club mentor, etc.), or professional (supervisor or colleague) via our online application system. References may not be provided by your sponsor, any other family member, or family friend. All recommendations must be submitted no later than the application deadline, Monday, March 25, 2019, 3:00pm EDT, by the reference, directly into the FEEA online application system. References may not submit recommendation letters through any other means. Applicants are encouraged to skip ahead in the application, enter their

reference's contact information, and then click through to the next and final page (FEEA information), so the request form is emailed to the reference. If you do not click "Next", your reference request will not be sent (see below image, button in blue). Applicants can then move back and forth in the system to complete the remaining sections of their application before they hit the final "Submit" button on the last page of the application.

2019 FEEA Common Scholarship Application

Deadline: March 25 2019 at 03:00 PM EDT

Page 2 of 3

2. Reference Request Form

Community, Professional, or Academic Reference

Please provide the contact information for an individual who knows you well and can provide an academic, community, or professional reference for you. References may not be provided by your sponsor, any other family member, or family friend.

Our application system will contact this person directly to complete the online reference form.

You must click "Next" below to proceed to the next page in order for the reference form request to send. Please be sure to send your request at least three weeks in advance of the application deadline so your reference has a chance to complete the recommendation in time. References are due on the same day as the application.

For Contact's Organization below, please enter the person's employer or the organization you know them from, if that's not where they work.

64. Contact's First Name *

65. Contact's Last Name *

66. Contact's Email Address *

67. Contact's Phone Number

Save Cancel

- If you want to check the status of your reference after sending your request (i.e. whether it has been completed or not), you can login to the application with your email and password at www.smarterselect.com, go to the second section of the application and check the status (see below). Via this page you can also resend the request if your reference lost the email and/or submit another name/contact info for a reference, if your first reference is unavailable. See image below. A Request Status of Pending indicates the applicant has sent the request, but the reference has NOT yet submitted their response.

The screenshot shows a web interface for a reference request. At the top right, it says "Page 2 of 3". The main heading is "2. Reference Request Form". Below this, there is a section titled "Community, Professional, or Academic Reference". The form contains three sections: "Request Status" with the value "Pending", "Request Sent" with the date and time "11 09 2017 09:35 AM", and "Request Received" with the value "Pending". To the right of the "Request Status" section is a green button labeled "Resend Request". To the right of the "Request Sent" section is a grey button labeled "Delete and/or Send to Different Contact".

- When the reference has submitted their response, the Reference Request Form will show "Received" in the Request Status and the date received in the Request Received section. See image below.

Request Received

02 05 2018 12:40 PM

- Contact Fields Required
 - Info Request Must Be Received to Submit Application
-

Section 3

- Please complete all requested fields. The application contains additional data fields, which will be used by FEEA to measure the reach of our scholarship recruitment activities. The selection committee members will not have access to this information during their review.

When Your Application is Complete

- Once you complete the application and submit your request to your reference, make sure to select the **Submit** button; you do not need to wait for your reference to complete the recommendation before submitting your application. When your reference has completed their recommendation, your application will then be complete, without you needing to access the application again to Submit. Choosing the Submit button more than once will not submit multiple applications.
- Even after you have submitted your application, you can access it at any time before the deadline, by choosing the Edit Application button, to make changes, resend your reference request if needed, delete and/or send a different reference request, or check to see if the reference has submitted the recommendation. **Each time you click the Edit Application button, make sure you hit the Submit button again, before you log out, or your application will be considered incomplete.**
