Instructions for Applying to the 2022 FEEA Scholarship Program

DEADLINE: Thursday, March 24, 2022 at 3:00pm EDT

Since 1986, FEEA has offered scholarships to more than 11,000 individuals, including providing nearly 200 scholarships to the children of federal civilian employees who died or were severely injured in the line of duty during the terrorist attacks on the Alfred P. Murrah Federal Building in Oklahoma City, the Pentagon on 9-11, and the US Embassies and Consulates in Kenya, Tanzania, and Libya.

FEEA champions the pursuit of higher education and each year supports hundreds of students with merit-based scholarships.

Scholarship Awards: Scholarships range between \$1,000 and \$7,500 for one year of academic study at an accredited college or university. The scholarship is not renewable, however, applicants may apply every year they are eligible, whether or not they have received an award in the past. The majority of scholarships are awarded for undergraduate study, with occasional awards for graduate study. Scholarship winners should refer to IRS publication 970 for more information on any potential tax implications of scholarships: <https://www.irs.gov/forms-pubs/about-publication-970>. Scholarship funds may be used for tuition and fees only.

Individuals Eligible for Scholarships:

- a. Children or legal dependents of full- or part-time permanent federal civilian or postal employees. Blacks in Government (BIG) federal employee members and PMA members may also sponsor a grandchild. Dependents must be under the age of 25 and unmarried in order to be eligible.
- b. Spouses of full- or part-time permanent civilian federal or postal employees.
- c. Full- or part-time permanent civilian federal or postal employees.
- d. Children or grandchildren of members of the National Active and Retired Federal Employees Association (NARFE). NARFE applicants must be high school seniors only.

The FEEA Scholarship competition is for those attending or planning to attend an accredited institution of higher learning for an undergraduate or graduate degree.

Federal employees, either applying directly or serving as a sponsor, must be employed with the federal government for more than three years as of the scholarship application deadline.

FEEA does not discriminate on the basis of race, color, national origin, age, gender, religion, disability, sexual orientation, or gender identity.

Applicants must have a 3.0 or higher cumulative, unweighted grade point average.

Children, grandchildren, dependents, or spouses applying for support must be enrolled or planning to enroll full-time in their academic program. Federal employee applicants may study part-time.

Scholarship Funding: FEEA supports its scholarship program through donations from individuals and a number of partners, including unions, associations, and corporations. For last year's scholarship competition, FEEA partnered with the following groups:

- American Federation of Government Employees (AFGE)
- The Bill Bransford Fund
- Blue Cross Blue Shield Federal Employee Program (BCBS)
- Blacks in Government (BIG)
- The David O. "Doc" and Marian M. Cooke Memorial Fund

- Government Employees Health Association, Inc. (GEHA)
- National Active and Retired Federal Employees Association (NARFE)
- National Council of Social Security Management Associations (NCSSMA)
- National Federation of Federal Employees (NFFE)
- Professional Managers Association (PMA)

All scholarships are subject to the availability of funding.

Selection Criteria: Scholarship selection committee members consider the following factors in ranking and recommending applicants to FEEA:

- Your record of academic and personal achievement;
- Your record of community service and engagement; and

- The substance and quality of your writing throughout the application.

Award Notifications: You will be notified of your final application status by August 2022, via the email you use in your application. Scholarship checks are made out to the winner's college or university and mailed to your home address.

Use the email you registered with and password you selected to complete your login. If you forget your password, you can reset it with the "forgot password" link. The SmarterSelect site functions best when using Chrome as your browser. After logging in, you will need to click the "Edit Application" button in order to make any changes.
- FEEA reserves the right to verify all information submitted and may disqualify applicants if discrepancies are identified. FEEA will also disqualify applicants for plagiarism.
- Only one application may be submitted per applicant. If you submit more than one application, you may be disqualified. Please do not use a second email address to try to submit an additional application.
- The application is divided into two sections. You can move forward or back in the application before hitting "Submit" at the bottom of Section 2.

Section 1

This is the main part of the application. Most of the sections are self-explanatory, but below are a few points to keep in mind:

- You can move from question to question by hitting the tab button or by simply moving your cursor and clicking in each response box.
- Everything with a red asterisk is required and must be completed in order to submit the application. You will receive an error message if you attempt to submit an application with any of these questions not completed.
- You must have a current federal employee or NARFE sponsor. Current federal employees can also sponsor themselves.
- If you or your sponsor are a member of one of the membership associations or unions listed in the application, please check that group on the application and provide the local number, chapter number, region number, and/or membership number, if requested, on the form, in order to be considered for support from these organizations. Please note: FEEA will verify all memberships to ensure they are in good standing and you should only complete this section if you or your sponsor are a current member in good standing of one or more of the listed organizations.
- Sponsor's Agency: This is a drop-down menu. Please find the correct agency or use "other" if your agency is not listed. See attachment A of these instructions for a complete list of agencies in the drop-down menu. If you do not see the sponsor's specific sub-agency on the list, please use the parent agency. Agencies in Attachment A are listed by parent agency:sub-agency. For example, if the sponsoring federal employee works for the Internal Revenue Service, it is listed as Treasury: Internal Revenue Service (IRS).
- If you are a federal employee applying for a scholarship for yourself, you must upload a PDF copy of your own most recent Notice of Personnel Action (SF-50); all other applicants must upload a copy of their federal employee sponsor's SF-50. The SF-50 must be dated January 2021 or later. If an SF-50 is not available, you must submit the sponsor's most recent pay stub AND a letter from the sponsor's current federal agency supervisor, stating the employee's position title, duty station, GS level (if applicable), and service computation date. The letter must be on agency letterhead and must be physically signed. If using the letter,

you must scan together both the letter and paystub into a single PDF file for upload to the application. Please redact personal identifying information, such as the Social Security Number and birth date of the sponsor, from the SF-50 or pay stub before uploading. If you are sponsored by a retired NARFE member, you are not required to provide an SF-50 unless the NARFE member is still an active federal employee.

- You must upload a PDF copy of your most recent academic transcript **with fall 2021 grades included**. Unofficial copies are acceptable.
 - Applicants currently in high school: If your transcript does not include your fall grades, please scan a copy of your fall report card with your transcript, into one PDF document, and upload the combined documents with your application in the transcript section.
 - Current college students, please submit your transcript showing your fall 2021 grades in addition to previous transcripts from any other schools attended, scanned into one document. If you are a first-year college student, please submit your college transcript showing your fall 2021 grades and a copy of your high school transcript scanned into one document.
 - If you are not currently enrolled, you should submit a transcript from the last school you attended.
 - Please make sure your uploaded document is not password-protected or locked. If the document cannot be opened by the reviewing committee, your application will be disqualified.
 - Please redact personal identifying information, such as birth date, Social Security Number, or address, from your transcript before uploading.
- You must include a maximum 500-word essay answering the following question: *What idea or issue are you most passionate about right now and why does it interest you?* We recommend drafting this essay outside of the application system and cutting and pasting the final version into your application. Note that some spacing and paragraphs might shift after pasting your essay in the system – please correct any formatting issues before submitting.
- Provide a bulleted list of your most important community service activities that benefit the general community, going back no more than 5 years. Include date(s), length of involvement, hours/month, and a detailed description of your

participation, in descending order of significance. Spell out acronyms the first time you use them in a description.

- Provide a bulleted list of your most important other (non-community service) extra-curricular activities, including sports, clubs, work, internships, and family responsibilities, going back no more than 5 years. Include date(s), length of involvement, hours/week or month, and a detailed description of your participation, in descending order of significance. Include academic and non-academic activities.
- Include a description of any significant awards received in the last 5 years and what that award recognizes, in bulleted format, to include date(s) and description, in descending order of significance.

Section 2

Please complete all requested fields. The application contains additional data fields, which will be used by FEEA to measure the reach of our scholarship recruitment activities. The selection committee members do not have access to this information during their review.

When Your Application is Complete

- Once you complete the application, make sure to select the **Submit** button. Choosing the Submit button more than once will not submit multiple applications.
- Even after you have submitted your application, you can edit it at any time before the deadline, by logging in and choosing the Edit Application button. You can make changes to any part of the application. **After submitting your application the first time, each time you click the Edit Application button, you must click "Submit" again before logging out or your application will be incomplete/not submitted.**
